Dear Vicki and Jim,

Mary is still in bed so before I start running the vacuum cleaner I will write to you.

How so glad you were able to get over to the Bahamas. It looks simply beautiful there and you must have had a wonderful time.

I see by the paper that the weather has turned hot in Virginia. That heat is terrible. Every one here would like to see some warm sunny days but we have been having lots of rain. I worked out in the yard all day yesterday but today it is raining.

I am reading the Memoirs of A. S. Grant because we had it here but today Mary and I are going to the library and get some books on Geo. Wash. and Jefferson. I just loved our visit back there.

I think I told you that the prisoner who sent me the doll is getting out in August. Mary and Mike thought the letter I wrote thanking him was too friendly so Mary wrote the letter. I would just as soon hear nothing more from them as there is no way we can help them.

Jessie came over yesterday. I am going to baby sit for her next Tuesday.

Tonight I am going to play bridge at the athletic club with Marty. She is going to get married in July.

I have been apartment looking with Mary. A two bedroom one with a view costs about \$195.00 a month but they are small.

Aunt Stella was so pleased to get your card from the Bahamas. We were too.

Mom later

Love,
Mom
